Dkt. No. 2271/76466

- (1) the required reply, unless it has been previously filed;
- (2) the petition fee set forth in 37 C.F.R. §1.17(m);
- (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to this paragraph was unintentional; and
- (4) any terminal disclaimer (and fee as set forth in §120(d)) required pursuant to 37 C.F.R. §1.137 (c) for a utility application filed before June 8, 1995.

This Petition is being submitted concurrently with replacement drawings for Figures 5 and 6 (attached hereto as Exhibit A) in response to the October 18, 2007 Notice of Allowability.

The replacement drawings do not introduce new matter and merely add the label of "Prior Art" to Figures 5 and 6.

The fee for a Petition under 37 C.F.R. §1.137(b) as set forth in 37 C.F.R. §1.17(m) is \$1,540.00 and authorization is hereby given to charge such fee, as well as any other required fees in connection with this Petition, to Deposit Account No. 03-3125.

The entire delay in filing the required reply, i.e. corrected drawings in response to the October 18, 2007 Notice of Allowability, until the filing of a grantable petition pursuant to 37 C.F.R. §1.137(b), was unintentional.

Because this application was filed after June 8, 1995, 37 C.F.R. §1.137(c) does not require any terminal disclaimer to be filed.

Applicant earnestly solicits an expeditious revival of the subject application.
